Cultural Venue & Pop-up Area

We are a cultural venue and our mission is to promote artists and creatives of all disciplines: art, design, music, cinema, literature; becoming a collective spot of expression. We are located on the main avenue of Lake View, right next to the hip area of Roscoe Village. Our agenda is based in art exhibitions and fashion pop ups with local and international designers, but we also rent the space for any artistic discipline, like: photoshoots, tv shows, interviews, podcast (we have a professional recording studio at the office), cocktail parties or brand promotions, wine tasting or press conferences. We provide all amenities required to promote a brand in a good location, and to launch it in Chicago. This are the rent options:

1. By the day (USD\$500).
2. By the hour (USD\$80)
3. Three day weekend, from Friday till Sunday (USD \$1500).

4. One week (Monday till Sunday). (USD\$2,500)
